Octagon Leveler and Tube Insert Sets

These *black nylon tube inserts* and *threaded octagon leveler combinations* are designed to fit hollow tubing. They support 100 lb loads and adjust 1" in height. For heavy duty applications use the steel "star clip" threaded inserts in the Light Duty Leveler catalog.

Clear Floor Caps/Carpet Sliders

These peel and stick *floor cap protectors/carpet sliders* help furniture (couches, entertainment centers, pianos, etc.) slide on carpet and prevent snagging and tearing.
