

End Caps

IEC End Caps are designed to fit on the outside diameters on tubing and other round objects with or without threads.

- Typical wall thickness .032
- Color: Blue
- Material: Low Density Polyethylene
- LDPE service temperature 150° F (66° C)
- Applicable specs: MIL-C-5501/9, MIL-C52078, NAS-844
- RoHS compliant

END CAPS
